### About Me

Passionate junior front-end developer with a desire to learn and grow in a collaborative team environment. Skilled in HTML, CSS, JavaScript and React. and I love to create beautiful and performant products with delightful user experiences.

### Professional Experience

Netlink Software Private Limited | React intern

10 March 2022 - 17 June 2022

Key responsibilities:

- Work with a team under the guidance of tech lead
- Developed a community blog post website with one of my colleague
- Individually developed a clone of google form in which i worked on all three layers i.e. frontend, backend, database
- In this period I have learned many things that to how work with teams and how we can manage our project.

### PROJECT DETAILS

- News aggregator web application
- Dynamic form builder
- Mini E-commerce application
- Developed Nfts website for client
